

TOEFL Test Preparation

Achievement Scale and Interpretation

TOEFL Test Preparation Program: The Toefl course is intended to prepare students for the TOEFL iBT (Internet-Based Test). In this program, students will improve their overall skills in reading, writing, listening and speaking, the skills tested on the TOEFL and necessary in an academic/professional environment.

By the end of each section, students will be able to:

Section 1 and 2	Section 3
Demonstrate familiarity with the test format and use the necessary strategies to identify and tackle the requirements for the many different tasks in the test.	Improve test scores in all areas of the TOEFL exam by utilizing the necessary strategies acquired in Sections 1, 2 and 3.
